Lodge Flap Design Contest

The next step after the announcement of the lodge's name, number and totem is the design of a lodge pocket flap. All members (youth and adult) may submit designs to be considered for the flap. All designs must be submitted using the official form that is attached. The form will also be available on the former lodge websites.

**All forms should be sent to the Mechanicsburg Council Service Center and received by
DECEMBER 22, 2010.**

After the deadline has past, the Lodge Executive Committee will convene to narrow down the submissions to the top 3 designs. The top 3 designs will be voted on by the youth membership at the Lodge Dinner by ballot on January 8, 2011.

When designing, please ensure:

- the design includes each of the items listed on the form
- the design is neat
- the design is clearly labeled or explained (attach additional sheets if necessary)

Hope to see a submission from everyone! No limits to how many submissions per person.

Cheerfully Serving,
Justin M. Eberly
